**2018 Canada 55 plus Games – Saint John, NB:**

Congratulations to all participants attending Saint John for the Canada Games in August. And thank you to all the non-participants who attended to cheer their family and friends on.

Saint John did a wonderful job with not only the venues, but the Opening, Closing, and all the extra fun evenings, as evidenced by the numbers attending.

You represented Alberta well as once again, we won the most medals – 164.5. CONGRATULATIONS to all! The final results are on the Canada Games website. There will be an Alberta 55plus Newsletter going out in the near future with results, information and photos.

The next Canada 55 plus Games will be held in Kamloops, BC in August 2020. The Alberta 55 plus Winter Games are being held in Cold Lake February 28<sup>th</sup>-March 3<sup>rd</sup>, 2019, and the Summer Games will be held in Medicine Hat July 4<sup>th</sup>-7<sup>th</sup>, 2019. These will be the qualifiers for the 2020 Canada 55 plus Games.
