ATTENTION 2020 CALGARY 55 PLUS MEMBERS

Due to the inactivity of our events during 2020 as a result of the **Covid -19** pandemic, members who paid their 2020 membership fee and did not attend any event will have their membership rolled over to 2021.

Message from the President

Don Everett

December 10, 2020

Greetings and hello to all Calgary 55 Plus members.

Normally at this time of year I would be sending you a review of our activities that were held this year. Regrettably, due to Covid-19 we only just got started in February with our winter schedule and had to stop most of the year's remaining activities.

Your health and safety are our biggest concern and as such we cannot jeopardize it by holding events that gather us together.

Your Calgary 55 Plus is here to provide you with a variety of active and social events and I'm sure you all miss them, as we do.

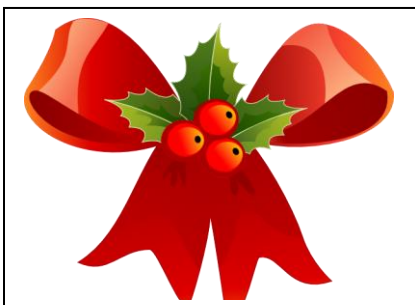

2020 has not allowed us to stage our normal variety of activities, but with recent news that a vaccination is coming early next year we are hopeful that we will be back on track in 2021. You will hear news on events as soon as we are able to schedule.

Planning is underway for the summer Provincial Alberta 55 Plus games to be held in June of 2022 in Peace River and we're hopeful they will happen. Details will follow and we'll keep you informed.

The Canada 55 Plus games have been rescheduled for August of 2022. Alberta 55 Plus is currently sourcing a venue for a Provincial winter games prior to this and Calgary 55 Plus will be holding qualifiers as well.

I'd like to thank all for your continued support and understanding during these challenging times. Things will get better and we'll be there with you.

Have a safe and Merry Christmas and a Happy New Year!
